

# Educate your Legislator about Breastfeeding

May 23, 2018, 12:30 PM to 3:30 PM

State Capitol, Sacramento

## Advocate for Equity, Health & Wellbeing

Join fellow California Work & Family Coalition members to educate legislators about the importance of supporting lactating parents in the workplace and school!

We will meet with key legislators and staff to share about AB 937 and AB 2785 that expand the rights of lactating parents in the workplace and school. We will also discuss the need to increase reimbursement for breast pumps under Medi-Cal, that hasn't changed in 30 years!
